ADMISSIONS PROCESS and ADMISSIONS CRITERIA FOR YEAR 8 - SCHOOL YEAR 2021/2022

TO PARENTS/GUARDIANS naming Coleraine Grammar School as a preference on your child's online Application/Transfer Form

Definition of Special Provision

Special Provision applies to a child who was not registered to take the AQE tests because either:

- The child's parent/guardian wishes him/her to be admitted to Year 8 from a primary school outside Northern Ireland.
- OR
- The child has received more than half of his/her primary education outside Northern Ireland.

If you are making a claim for your child to be considered under Special Provision, please note that you are required to:

- Complete Form SP 20, obtainable from Coleraine Grammar School, and attach it to the online Application/Transfer Form when it is being submitted. You should state specifically which one or more of the above reasons make the applicant eligible for consideration under Special Provision.

The Admissions Sub-Committee will determine whether or not the application meets the criteria for Special Provision using the available evidence on or attached to the online Application/Transfer Form. It is the responsibility of the applicants to provide all of the information relevant to meeting the criteria for Special Provision, and to furnish relevant details.

The Board of Governors reserves the right to require such supplementary evidence as it may determine to support or verify information on any Application Form/Transfer Form. This information may be requested from those whose applications have been successful on or shortly after Saturday 19th June 2021, when they have been notified of their allocation of a place at Coleraine Grammar School. The provision of false or incorrect information or the failure to provide verifying documents according to the required deadline may result in either the withdrawal of a place or the inability to offer a place.

Voluntary Contribution

Coleraine Grammar School has an annual parental contribution of £200 payable as £20 per month (x10) for the first child, with a 25% reduction for the second child and 50% reduction for the third child or subsequent child up to a maximum contribution per family of £45 per month (x10).
